

HEBRON HIGH SCHOOL
CHEATING POLICY

Here at Hebron High School we take cheating in a qualifier or a tournament very seriously. Below you will find the consequences outlined for players who are accused or caught cheating. These will be cumulative actions for the whole year and not separate for Fall and Spring.

Because Coach Trent and Coach Davis cannot be at every whole with every player, we need each player to uphold the policies below. By signing this policy, you as the player are saying that you understand the consequences for cheating and that you will hold yourself and fellow teammates accountable for this policy as well. As a parent/guardian your signature states that you have also read the consequences for cheating and have discussed with your player the importance of honesty and communicating with the coaches of any concerns they may have about someone else cheating.

Accused of Cheating:

1st time: If a fellow teammate, playing competitor, or Coach come to Coach Trent or Coach Davis to say that they believe a player is cheating then we will begin to watch that particular player closely to see if this accusation is true.

2nd time: If Coach Trent or Coach Davis are confronted again about a particular player possibly cheating then we will sit down with the parent and player to discuss the accusations and go over the importance of being truthful in their play. This will be an official warning.

3rd time: If Coach Trent or Coach Davis are confronted for a 3rd time about the same player then they will sit out the next tournament. Parent/Guardian and player will be notified.

4th time: If Coach Trent or Coach Davis are confronted for a 4th time then that player will be up for a possible removal from the golf team. Parent/Guardian and player will be notified.

Caught Cheating:

1st time: If a player is caught cheating by a fellow teammate, playing competitor, or a Coach from another team, Coach Trent or Coach Davis (proof will be needed or else it is just an accusation) during a qualifier that player will not be going to the next tournament. If it happens during a tournament then they will be DQ from that tournament. The player will still be allowed to play in qualifiers to regain trust. Parent/Guardian and player will be notified.

2nd time: If a player is caught cheating by a fellow teammate, playing competitor, or a Coach from another team, Coach Trent or Coach Davis (proof will be needed or else it is just an accusation) during a qualifier that player will not be going to the next 2 tournaments. If it happens during a tournament then they will be DQ from that tournament and will not be allowed to compete in the tournament to follow.

The player will still be allowed to play in qualifiers to regain trust. Parent/Guardian and player will be notified.

3rd time: If this player is caught a 3rd time by a fellow teammate, playing competitor, or a Coach from another team, Coach Trent or Coach Davis (proof will be needed or else it is just an accusation) then that player will be up for a possible removal from the golf team. Parent/Guardian and player will be notified.
