Business Updates-Monica Kummerl

1. Highlights

1. Team was never quarantined due to COVID. Thanks to parents for vigilance in helping make this happen. Every tournament was played other than one due to weather.
2. All teams placed throughout the year. We should be proud of all of these accomplishments.
3. Varsity 1 girls are STATE CHAMPIONS! The first time for Hebron High School. We made history.
4. Successful fundraising campaigns even given the limitations with COVID
5. Tremendous Website transformation this year.
6. Great social media presence
7. Tryouts will be the first of August. Encourage friends to come out and tryout. Check social media for details.

8. Thanks to the executive board for the work this year.

- **Coach Trent**

Her mother passed away on Saturday. Card collection is at Monica's house through Thursday evening. They will be delivered to her over the weekend. Coach Campbell is helping in this effort. Best way to support them during this time would be gift cards to restaurants and grocery stores. Funeral arrangements will be shared once they are finalized. Coach Trent would be open to any support for those that want to attend.

- **Indoor Practice Facility (Coach Keeney)**

1. Background of Development: Plans started over two years ago. It was a battle to get any facility at all. Our facility replicates Marcus. The golf booster funded all furnishings in that space at Marcus. Coaches do not get to decide how the bond money is spent. This space is an opportunity for player development. Coach Campbell began raising money years ago for this facility. Think of this as a long term investment. Consider it a legacy.
2. Sponsorship: Coach Brazil stated that the booster can set up different levels of sponsorship. Possibly on the golf trailer. District approval for any signage we post from sponsors.

Treasurer Report-Buddy Beaman

- We started the year with \$49,000 and ended with over \$65,000. These funds have been building for about 5-6 years.
- The board voted to fund one bay, the net, putting surface, and turf at a cost of \$48,000. This will still leave \$17,000 to begin the year in good standing.
 1. Discussion opened regarding board decision. Only one parent spoke up in support of the spending.
- Motion to approve the budget by Robert Taylor and Lauraliisa Gudgeon.

1st VP Fundraising Report-Liliana Hay

- Details explained regarding all three large fundraising campaigns this year. It started out slow, but ended up exceeding all expectations. We made more money than last year even during COVID. Thank you to all parents that supported the team.
- Next year, the Golf Classic may be hosted by the Cowboys Golf Club on either Friday, Saturday, or Sunday. More information to come. We will begin promoting it earlier in the year.

2nd VP Technology Report-Chhaya Shah

- Chhaya announced that she will be stepping down from her board position next year.
- Website enhancements continue.
 1. Try-out information is posted.
 2. Seniors are highlighted.
 3. All awards and pictures have been added to media scroll on the home page.
 4. Tournament photos from the Golf Classic added to the tab.

3rd VP Social Media/PR-Lauraliisa Gudgeon

- Worked hard to highlight players along all social media channels.
- As players are in tournaments this summer, please share pics and info on placement. We want to continue to share in successes over the summer.
- Please share any ideas you may have on how to continue to enhance our team presence on social media.

Officer Slate Voting-Jeremy Silvas

- Slate positions announced.
- Motion to accept the board as slated. Jaimie Straight and Buddy Beaman made the motion to approve.
- Executive board approved for 2021-2022 year.

Parent Q&A: None; Meeting adjourned at 7:28
